

Building Events 2010

Contech

The jury of professionals presented 8 Coups de cœur at Montreal's Building Event this year

A jury of architects, building managers and contractors met with the exhibitors who were presenting a new product to choose their Coups de Coeur.

Among the 65 new products presented at the Show by our exhibitors, 8 hold the jury's attention.

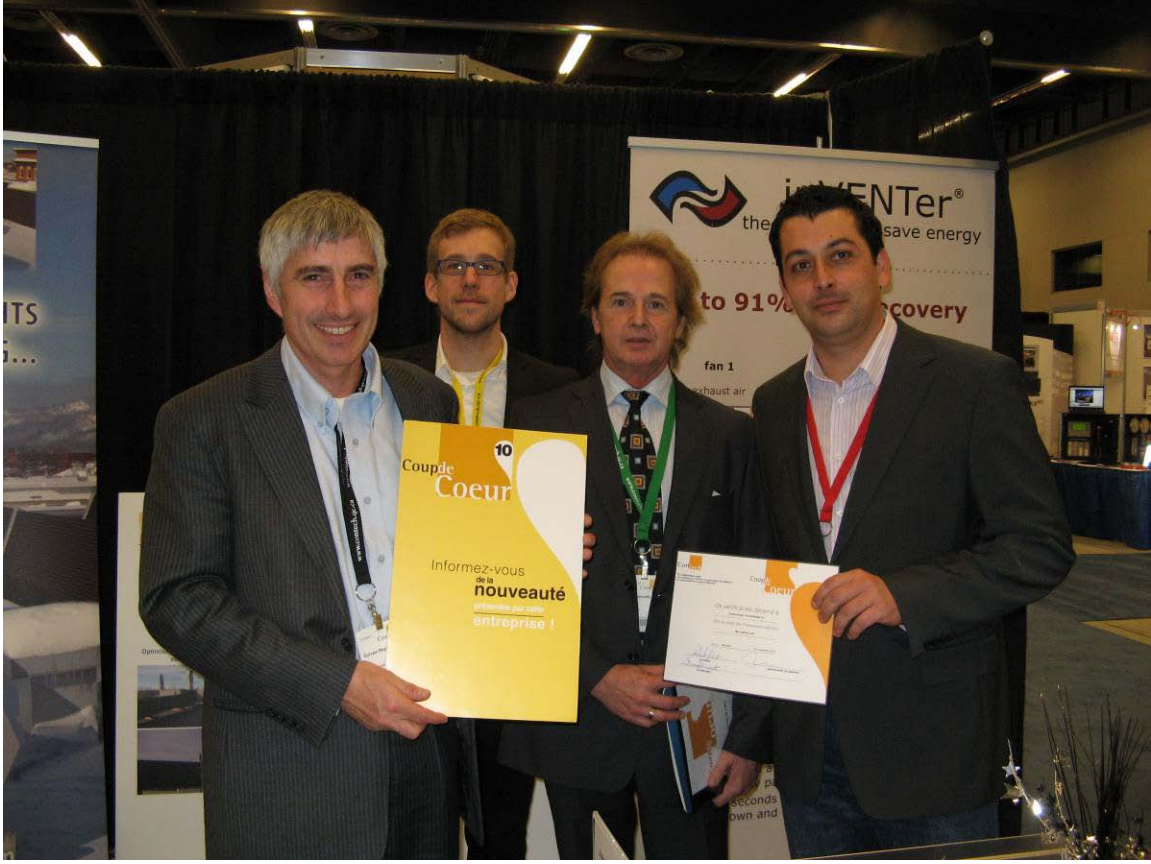

The exhibitors who deserved a **Coup de cœur** are :

Entreprise Sanitaire F.A. Itée. for its product Molok

Les produits métalliques Bailey Itée for its product Comslab

Enerconcept Technologies inc. for its product Lubi Solar Walls

Couvre-Planchers Labrosse inc. for its product Free Axez

Broadleaf Logistics for its product Form-A-Drain®

Beaulieu Canada for its product TacFastMD / LocPlateMC

Lutron inc. for its product Hi-lume A-Series LED driver

Appalachian Flooring for its new ½ inch engineered flooring

Congratulations to all winners and a special thank to the members of the Jury
